COMMENTS FROM THE TOWN MANAGER'S OFFICE

As can be expected the Winter Roads account has been heavily taxed with the numerous storms this year. We felt we had ample funds to last until the end of the year but with snow starting the first part of November and continuing, the money has been spent.

Last Town Meeting more funds were appropriated which was expected to be enough and would have been with an average winter. No more money will be requested in 1969 as we feel there should be adequate funds under normal conditions.

For the most part, towns I have had contact with were overdrawn the first of December. We are some better off than that as our funds lasted a week or two into the month.

SAD 44 DIRECTORS ADOPT LITERATURE REVIEW PROCEDURE

The board of directors of S. A. D. 44 met at Telstar Regional High School on Monday evening of this week. Originally scheduled to be held at the Locke Mills Elementary School, the meeting was moved to the high school because of the large attendance. Directors not in attendance at the meeting were: Roderick Sideling, Eddie Snyder, of Andover; Paul Wight, Newry; Mrs. Joan Wiese, of Bethel; James Farrar, Woodstock.

William Cousins of Bethel requested for the review committee, himself and Mrs. Joan Wiese also of Bethel, presenting a tentative procedure suggested by the committee. The procedure would handle complaints by District citizens regarding the English curriculum at the high school.

After discussion by board members, and citizens present, the outlined procedures, with suggested amendments, was adopted.

The procedure adopted is as follows:

1. Procedure to be followed in the event of an objection or complaint by a citizen of School Administration District #44, pertaining to the use of a piece of literature in the English curriculum at Telstar Regional High School.

a. Any person may, upon request, borrow a copy of any book used in the English curriculum at Telstar Regional High School, provided,

1.—there are extra copies of such available at the time of the request; or

2.—if extra copies are not available, any citizen has a right to purchase a copy through the school book store.

b. The form entitled, "Citizen's Request for Reconsideration of a Book," recommended by the National Council of Teachers of English, is to be filled out. A copy of this form may be obtained at the office of the principal of Telstar Regional School.

c. We encourage the person making the complaint to have an interview with the principal, department head, or teacher involved, after the citizen's request form has been submitted through the office of the principal.

d. A parent's request, that a particular piece of literature not be used by his/her child, will be honored, and a substitute piece of literature will be used in its place for his/her child.

e. If, after discussion of the complaint with the individual or individuals mentioned in item c. above, the parent still feels that the request has not been honored, the parent may then appeal to the Superintendent of Schools and the sub-committee appointed by the Board of Directors to handle such matters.

f. This sub-committee would make a recommendation to the entire Board of Directors for a final decision.

The directors approved a vote of confidence to the members of the English department at Telstar Regional High School for the procedures that they have followed.

Following an executive session of the board of directors it was voted to re-elect Ralph K. Ryder as Superintendent of Schools for S.A.D. #44. The contract will be awarded for a two-year period at an annual salary of \$16,000, plus fringe benefits.

A report on teacher evaluations and the transportation portion of the 1969 budget, was given by Mr. Ryder.

A special meeting of the board of directors will be held at Telstar Regional High School on Monday evening, Dec. 30, at 7:30.

TO PRESENT 5th ANNUAL "LIVING NATIVITY SCENE" SUNDAY, DEC. 22

The Bethel community will present its fifth annual Living Nativity Scene on the Bethel Common on Sunday, Dec. 22. Three 30-minute presentations will be given at 4:30 p. m., 5:30 p. m., and 6:30 p. m. Visitors from surrounding areas are invited to attend.

Guiding stars have again been placed on all roads leading into the town. Church bells will ring out ten minutes before each presentation to alert everyone to gather at the manger. The chorus, in the form of a "lighted choral tree", will be noticeable as crowds arrive.

Once again, the story of the first Christmas will be enacted in pantomime; the choral group will provide live music; and the Christmas story will be given by a commentator. Everyone will join with the chorus in the singing of the final hymn.

Participants in the scene include:

Mr. and Mrs. Maurice Roy, Michael Roy, William Koen, Roland Glines, John Tobols, Robert Tift Jr., Senor Ortero-Ortero, Douglas Farrar, Steven Blanchard, Lisa Farrar, Linda Buck, Donald Favreau, Daniel Wheeler, Willard Gorman, Michael Davis, George Stebbins Jr., John Tinward, Ross Timberlake, Bradley Fiske, Lincoln Fiske Jr., David Vaughan, Charles Mason, Stewart Sweetser, Llewellyn Cobb, Michael O'Donnell, Sandra Carver, Debby Buck, and Susan MacKay. Rev. George Stebbins will give the commentary. Bell ringers include Lottie Butters, Denise Berry, Michael Myers, Samuel Eames, Cynthia Kailey, Jill Hutchins, Bruce Douglass and Kevin Trinward.

This is an era where fast commercialized living all too often takes over at Christmas. But Bethel people find the true meaning of Christmas by working and sharing together with plans for this pageant. They invite all interested people from surrounding areas to attend and share this experience with them.

Season's Greetings

As we have advertised before, our dryers have ultra violet light which purifies and gives assurance of a germ free wash. In some states it is unlawful to operate laundrimats without this purification light. Washing water cannot be hot enough without damage to fabrics to insure purification.

To further acquaint you with this service, the management is offering FREE drying Christmas Week to our customers and those who wash during attended hours only.

If you consider your time per hour at 37c per hour, drying clothes on the line, it would be cheaper to use our dryers.

1968 *Season's Greetings*

May the joy and peace of Christmas be with you.

"Thine, O Lord, is the great-
ness, and the power, and the glo-
ry, and the victory, and the ma-
jesty: for all that is in the heav-

thine is the kingdom, O Lord, and

all."

These words from the first book
of Chronicles are part of the Bi-

to attend. The services in First

You are welcome.

The following passage is from
those to be read from the denom-
inational textbook: "In the mater-

rial world, thought has brought
to light with great rapidity many
useful wonders. With like activi-
ty have thought's swift pinions
been rising toward the realm of
the real, to the spiritual cause of
those lower things which give
impulse to inquiry. Belief in a
material basis, from which may
be deduced all rationality, is
slowly yielding to the idea of a
metaphysical basis, looking away
from matter to Mind as the cause
of every effect." ("Science and
Health with Key to the Scrip-
tures" by Mary Baker Eddy).

CHRISTMAS STORY
IN SONG

The Junior and Senior Choirs
of the United Methodist Church
of Bethel will present "The
Christmas Story in Song" on
Monday, Dec. 23, at 7:30 p. m. in
the sanctuary of the church.

Highlights of the program will
include our own men's quartet,
sponsored by Mrs. Donald Walker,
Mrs. Ted Davis, Mitzel Wheeler
and Susan Davis, and audience
participation in the singing of old
and familiar carols of the season.
Songs by the Church School
children will provide the proper
atmosphere for a visit from San-
ta Claus.

Come and rejoice with us as
the birthday of our Saviour ap-
proaches and may we all carry a
part of this spirit with us year
round.

The choirs are directed by Mrs.
Nesta Littlefield, and the Church
School children by Mrs. Arlene
Brown.

Mr. and Mrs. Garold Kingsbury
and children of Lynn, Mass., were
week end guests of relatives in
town.

GREENWOOD CITY

Mrs. Colista Morgan, Corres.

Lonely Pine

I love my tree there on a height. It has spotless snow and stars for light.

My Christmas tree above rocks so cold. Rising amidst storms of old.

But it is mine from year to year. Standing there, stately, perfect and clear.

Against the horizon - a beautiful pine. Too tall for this room of mine.

To shelter. Its great branches can rise. Extending loveliness to the skies.

Here inside I have no place. For a tree so splendid, with such grace.

This, my tree, banishes any doubt. There is Christmas - where paths lead out.

I can not decorate this stately tree. With gifts. But - it holds treasures for me.

I love even its lowest limb. The highest, so graceful and slim.

It's across the pond, yet not too far. And rising above it, shines the star!

Colista Morgan

Rumford Community Hospital medical staff and administration announces this week temporary visiting restrictions to protect patients against the potential flu epidemic. The "Hong Kong" flu has spread across the nation virtually crippling industry, schools, and hospitals.

The new visiting regulations will limit:

- (1) one visitor per patient at one time
- (2) family only
- (3) visiting hours from 3 to 4 p. m. and 7 to 8 p. m. only.

These severe restrictions are being imposed for the safety of patients. Family members with colds are urged not to visit. Friends are asked to send their greetings through cards and letters until the patient returns home.
